Hi there!

No problem on the intro / info! It sounds like an amazing opportunity and concert in Hollywood!

Let me connect you to Daniel Halden at Council District 13 as he is best to advise you. He is copied here and his email is Dan Halden Daniel.halden@lacity.org.

I am also going to send your info to our membership team and help get you on board and schedule a ribbon cutting ceremony.

Look forward to meeting you in person and working with you!

Kaylee-

I am embarrassed that I am reaching out to introduce myself as well as ask for assistance in the same email.

I am the Managing Director of the soon to re-open 1717 Vine, called The Aster. We are looking at a June 6 opening and cannot wait to show you the new look and upgrades.

I have been just sent an opportunity that Hollywood and The Aster cannot pass up.

EMI has asked us to do a concert for Duran Duran on March 17th on our roof with Capitol Records in the background.

Its broadcast live around the world part of a Rooftop series they are doing.

We are not allowed to have amplified music on the roof per the CUP , but wondering if there is a work around as this a promotional opportunity for Hollywood. They want to broadcast the show live on the side of our building as well visible to pedestrians from Hollywood Blvd and Vine as well....

Let me know if you have any ideas on how we can collectively make this happen, we need as much good PR we can get these days!

Warm Regards

Troy

PS let me know how I may join the Chamber and when the next meeting is!
